Total	74.2	74.0	95.1	93.6	95.1	95.8	9.8	7.1

1. Percentage of first-year students in bachelors or first professional degree programs in 1995 who subsequently received a degree between 1996 and 2002 in any program area.

2. Percentage of 2001 graduates of bachelors or first professional degree programs who were employed six months and two years after graduation.

3. These default rates reflect the repayment status, as of July 2003, of students who were issued Ontario student loans in the 2000-2001 academic year and completed or exited their studies in 2001-2002. Graduate students are included.

4. Program is not offered at the University of Ottawa.

5. Data not reported / not available.

6. "Kinesiology, Recreation and Physical Education" includes students enrolled in education programs in non-teaching fields.

7. "Other Arts and Science" includes students enrolled in general arts and science majors not specified by other categories or unspecified.

8. "Other Health Professions" includes students enrolled in basic medical science programs, medical specialities, paraclinical sciences, surgical specialities, epidemiology and public health and medical technology. Medical residents have been excluded.

9. For employment rate, sample size of four or fewer individuals.
