

## Workplace Hazard Symbols

Explosives

Organic peroxides

Flammable gas

Laser

Inert gas

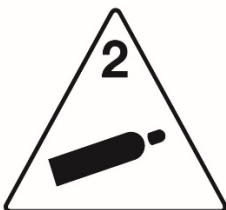

Poisonous materials

Poisonous gas

Biohazardous materials

Corrosive gas

High magnetic and radio frequency field

Oxygen storage

Radioactive materials

Flammable liquids

Corrosive materials

Flammable solids

X-Ray

Spontaneously combustible

Miscellaneous hazardous goods

Flammable when wet

Burn hazard

Oxidizing substances

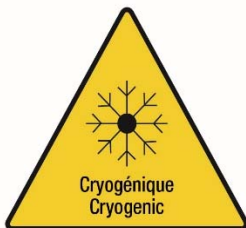

Cryogenic liquid

Electrical hazard

Overhead crane

Frostbite danger
