NOTE AUX CHERCHEURS

Note sur le classement et la description : Les documents multimédias sont décrits par ordre numérique.

Note sur la langue des documents : La langue de description des documents est soit en français ou en anglais.

Note sur les restrictions à la consultation : L'utilisation de reproductions des documents de ce fonds d'archives est régie par la *Loi sur le droit d'auteur* et la procédure numéro 16 - *Reproduction de documents* des AUO.

Note sur les instruments de recherche : Il existe potentiellement d'autres instruments de recherche pour ce fonds, préparés généralement en fonction du support des documents (ex. iconographique, sonores, objets, etc.).

NOTE TO RESEARCHERS

Note on arrangement and description: Multimedia records have been described in a numerical order.

Note on language: The descriptions of the records are in either French or English languages.

Note on restrictions on access: The use of reproduced records of this archival fonds is subject to *the Canadian Copyright Act* as well as procedure number 16 – *Reproduction de documents*.

Note on finding aids: There are probably other finding aids relating to this fonds, generally prepared according to their material type (ex. graphic materials, sound recordings, objects, etc.).

AUO-EL-23-13.

MCRAE - NELSON. - This CD holds two audio recordings created for the 40th anniversary history project of the Faculty of Common Law. The first interview is with Donald McRae. He describes his time as Dean of the Faculty of Common Law and the various programs he started and the challenges that they brought. The second interview is with [Camille] Nelson who graduated from the Faculty of Common Law in 1994. She describes school life under Donald McRae and explains why she came at the University of Ottawa. She speaks mostly about the importance of the Equity Program and what it was like to be a student of colour at the University of Ottawa. - July 3rd, 2007. - 1 compact disk: Verbatim, CD-R, Wav file, 1:47:06. - Credit: Philip Graham.

Information for the description comes from listening to the interview.
