Tactile Exit to indicate door to exterior  
 135mm x 250mm

Tactile Surface (Text, and Pictogram):  
 Fabricate above from dimensional vinyl. Protect with clear matte laminate over full surface, vacuum applied.  
 Mount above composite with full surface adhesive to substrate.

Substrate is prepainted white 12 gauge aluminum, edges are painted white after fabrication

All tactile surfaces are raised above the panel background by the uniform amount of 0.8mm (1/32"). The leading edges of all raised surfaces shall be rounded or radius not sharp or cylindrical.
