Purpose of a Team Lead

The role of a Team Lead (TL) is to support their team of Community Advisors (CAs) through mentoring, coordination, and as a resource to support as needed. Duties include supporting their team with challenging student cases, providing mentoring around aspects of their role and responsibilities, managing the schedule for coverage and time off, being a resource for and coordinator of the team's programming requirements, and being available to help when circumstances require more support. They may be called on to support teammates by offering peer guidance, helping with conflict resolution, clarifying the Residence Code of Conduct or role expectations, and responding to emergencies as needed.

Time Commitment and Training

- 570 hours based on 38 week academic year
- An average of 15 hours/week, including early mornings, evenings, weekends and holiday periods
- Additional mandatory training sessions in person and virtually, offered throughout employment
 - August Training
 - Ongoing Training – One (1) two-hour ongoing training commitment once a month

Safety and Security

- TLs must know and follow the Residence Life Code of Ethics for Student Staff, the Residence Agreement, and the Code of Conduct and Disciplinary Procedure.
- TLs should promote respect of residence policies by helping residents understand the reason for regulations and encourage individual and community responsibility in maintaining them. TLs must be consistent in upholding regulations throughout the academic year.
- TLs must maintain an awareness of routine and emergency procedures essential to the safety and security of residents (i.e. fire alarms, medical emergencies, fire evacuation procedures), uphold the Residence Agreement and the Code of Conduct & Disciplinary Procedure, and conduct inspections by monitoring common areas (kitchens, washrooms, lounges, etc.) and reporting any issues via the online reporting system, ARCHIBUS.

Community Development and Team Interactions

- Team Leads should be alert to the various conflicting relationships that may arise on their team or that their CAs are helping to manage among their communities. They should take a proactive approach in helping to resolve any conflicts and may facilitate mediations. They should inform

their Coordinator of any conflicts they are aware of, and, when appropriate, work in collaboration to address it. TLs should spend a sufficient amount of time, with their team and become acquainted with each CA on an individual basis. TLs should foster an inclusive and cohesive team environment.

Administrative Duties

- Team Leads are responsible for a number of administrative tasks which are outlined below:
 - Team Leads must use the Software system eRezLife to document significant observations and interactions with residents.
 - Checking their eRezLife account for bulletins and reports daily (unless on requested time off).
 - Participating in performance appraisal processes in an honest and constructive manner.

Meetings

- The Team Lead must attend and actively participate in meetings. TLs are also expected to lead team meetings each month.

Duty Shifts and Responsibilities

- The Team Lead will rotate through a daily duty schedule within their own residence during ***Move In Week and Welcome Week*** as well as any other key nights as required in order to meet the needs of the service, as determined by the Coordinator and Management team. The Team Lead will be on duty within their building on either ***Halloween or St-Patrick's Day***, determined between TLs of sister buildings so that a TL from those buildings is available on each day.
- Team Leads from smaller teams may be called on more frequently to participate in the duty rotation, as necessary or at the discretion of the Coordinator.
- Each TL is responsible for publishing the schedule for their respective team by the 21st of each month for the following month.

Programming Requirements

- The Team Lead will oversee and direct all building-wide events and may be called upon to assist with advertising event activities with their team.
- Team Leads are required to complete a number of requirements each month to meet a variety of programming needs.
