

**DOCTORAL THESIS DEPOSIT  
CONFLICT OF INTEREST WITH THE PROPOSED EXTERNAL EVALUATORS**

STUDENT IDENTIFICATION		
SURNAME	GIVEN NAME	STUDENT NUMBER
THESIS SUPERVISOR		<input type="checkbox"/> I have communicated with the proposed examiners. They are aware of their possible nomination and the thesis submission timeline.

To confirm that you do not have any conflict of interest with the two proposed external examiners, please check the box 'NO' for the following four criteria. The student must submit this form along with the list of examiner's and the external examiner's CV one month prior to depositing his/her thesis.

EXAMINER 1:	NAME OF INSTITUTION:
1. A proposed external examiner is, or was in the last six years, from the same university, organization or department, or belongs or belonged, in the last six years, to the same research unit as the supervisor(s) or the candidate; or	NO
2. There is an administrative or family link between the proposed external examiner and the supervisor(s) or candidate; or	NO
3. A proposed external examiner is an industrial or government representative who is, or was in the last six years, directly involved in collaborative activities with the supervisor(s) or candidate; or	NO
4. A proposed external examiner is a former research supervisor, graduate student, or postdoctoral trainee of the supervisor(s); or	NO
5. A proposed external examiner has collaborated or published with the supervisor(s) or candidate within the past six years.	NO
EXAMINER 2:	NAME OF INSTITUTION:
1. A proposed external examiner is, or was in the last six years, from the same university, organization or department, or belongs or belonged, in the last six years, to the same research unit as the supervisor(s) or the candidate; or	NO
2. There is an administrative or family link between the proposed external examiner and the supervisor(s) or candidate; or	NO
3. A proposed external examiner is an industrial or government representative who is, or was in the last six years, directly involved in collaborative activities with the supervisor(s) or candidate; or	NO
4. A proposed external examiner is a former research supervisor, graduate student, or postdoctoral trainee of the supervisor(s); or	NO
5. A proposed external examiner has collaborated or published with the supervisor(s) or candidate within the past six years.	NO
