

DOCTORAT EN SANTÉ DES POPULATIONS - LISTE DES COURS APPROUVÉS ET LEURS DOMAINES DE CONNAISSANCES

PHD IN POPULATION HEALTH - LIST OF APPROVED COURSES AND THEIR AREAS OF KNOWLEDGE

Mai 2021/May 2021

**Veillez noter:** *Ces cours ne sont pas offerts chaque trimestre ou chaque année.*

*Puisque ces cours sont offerts par d'autres écoles et facultés, il n'y a pas de place réservée pour les étudiants au doctorat en santé des populations dans ces cours. Les étudiants devront obtenir la permission du professeur ou de la professeure.*

**Please note:** These courses are not offered every term or every year

Since the following courses are offered by other schools and faculties, there is no reserved spot for PhD in Population students in these classes. Students will require permission from the professor.

Cours	Cote	Titre	Crédits	Méthodes de recherche avancée/conception de la recherche	Sciences de la santé	Épidémiologie	Sciences sociales et sciences du comportement	Statistiques
