## **APPLICATION TO ENROL IN NUT 4242 — FOOD AND NUTRITION RESEARCH**

**Students who wish to enrol in NUT 4242 (6 units / 1 term) or NUT 42421 and NUT 42422 (6 units / Fall and Winter terms) must complete this form and receive written approval from the person who will supervise their project.**

\* Only full-time School of Nutrition Sciences professors or external supervisors approved by the assistant director, undergraduate studies, can serve as supervisors for NUT 4642. Once you have completed the form, email it to [ESN.Adjointe.Administrative@uOttawa.ca](mailto:ESN.Adjointe.Administrative@uOttawa.ca) for approval by the assistant director.

**Prerequisites:** NUT 2304 and 54 university course units. Courses NUT 4142, NUT 4242 cannot be combined for units. **Applying for enrolment and meeting the prerequisites doesn't guarantee admission to the course.**

Your completed document at the end of your research project must include these sections:

- Issue and argument
- Review of the relevant literature
- Research question
- Methodology
- Results and discussion
- Recommendations and limitations
- Conclusion

Section order may vary depending on the research model you use.

Your final document must be written as a journal article with a maximum length of 25 pages. You must also make an oral or poster presentation of your results.
