

Request Graduate Program Change

For students enrolled in the MSc with thesis wanting to change for the MSc with research project.

Important notes for MSc students affected by the COVID-19 pandemic:

- Your request must be made before August 15.
- You must complete all MSc with research project program requirements by the end of the fall 2020 term.
- Transfer to the research project option will not affect your stipend and/or scholarships (including the admission scholarship) for the fall 2020 term as long as you are working on your research project.

Submit this form by Service request (Modification or Cancellation of Registration category) for further approval from your supervisor, your program director, and the vice-dean graduate studies.
