Learning Outcome to Evaluate

Depth and breadth of knowledge

- Demonstrates sufficient basic knowledge in the fields of study Poor Fair Good Very good Excellent
- Demonstrates knowledge of the literature in the field of study Poor Fair Good Very good Excellent

Research and scholarship

- Can define research questions based on sound rationale..... Poor Fair Good Very good Excellent
- Demonstrates the ability to critically evaluate scientific literature..... Poor Fair Good Very good Excellent
- Can develop a research plan to address the research hypothesis..... Poor Fair Good Very good Excellent

Level of application of knowledge

- Has demonstrated the ability to undertake scientific research and generate data..... Poor Fair Good Very good Excellent
- Demonstrates the ability to interpret results of a scientific experiment.... Poor Fair Good Very good Excellent
- Is aware of the appropriate experimental techniques used in their field of research..... Poor Fair Good Very good Excellent

Professional capacity / autonomy

- Recognizes the societal benefit of their proposed research..... Poor Fair Good Very good Excellent

Level of communication skills

- Can communicate scientific content, results and hypotheses clearly and efficiently using appropriate terminology..... Poor Fair Good Very good Excellent

Awareness of limits of knowledge

- Can discuss the strengths and limitation of the experimental plan..... Poor Fair Good Very good Excellent

Note: To pass the oral PhD transfer exam, each learning objective must receive a minimum of "good".
