

# MERIDITH MARKS DAY

March 24, 2023

8 A.M. - 4:00 P.M.

## Dr. Glenn Regehr PhD

- Scientist and Associate Director of Research, Centre for Health Education Scholarship
- Professor, Department of Surgery
- Faculty of Medicine, University of British Columbia

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, and approved by the University of Ottawa's Office of Continuing Professional Development. You may claim a maximum of 5.25 hours (credits are automatically calculated).

This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the University of Ottawa's Office of Continuing Professional Development for up to 5.25 Mainpro+ credits.

## TITLE OF THE TALK:

# The Dangerous Pursuit of Independence

## OBJECTIVES:

After this presentation, participants will be able to:

- Describe the dangers of "independence thinking" in learners and practitioners
- Recognize the symptoms of "independence thinking" in common health professions issues
- Discuss alternative goals for learners and practitioners that are more compatible with effective and efficient health care delivery
