HHHS has a great opportunity for an Emergency Medicine Physician to provide care to a wonderful and appreciative community at the **Haliburton site**. The Haliburton Emergency Department is a busy rural community hospital which sees an average 15,000 visits/year and has an excellent in-house and referral centre support.

The successful applicant must be eligible for independent practice licensure with the CPSO with CCFP (EM) certification or CCFP with experience is preferred.
