

Calian is proud to continue a long-standing contractual relationship with the Department of National Defence (DND) to provide healthcare services to the Canadian Armed Forces. Through the Health Care Provider Contract, Calian employs health care professionals across Canada who are integral to supporting the health and wellbeing of our military members.

Calian is seeking a Primary Care Physician to work at the Canadian Forces Health Services Centre Ottawa, located at the Montfort Hospital. Physicians function as an essential member of the health care team in the provision of comprehensive, multidisciplinary, collaborative primary health care services to the Canadian Armed Forces members. These services include primary care, minor trauma care, health promotion, prevention of diseases and injuries, rehabilitation and support services.

Advantages to working in this environment:

- Enjoy a great work/ life balance with regular working hours from 7:30am- 4pm, Monday-Friday
- No overhead costs or clinic fees
- Easy access to onsite support services including pharmacy, laboratory, physiotherapy and mental health

Mandatory Qualifications:

- License from the provincial professional college in the location of practice
- Certification in Family Medicine with the College of Family Physicians of Canada (CCFP)
- Basic Life Support for Health Providers or CPR/AED Level C Certification
- Bilingualism (French and English)

Experience: Minimum of 1 year full time equivalent experience directly providing patient medical care in an ambulatory primary care, occupational medicine, urgent care or emergency medicine setting

Type of Assignment:

Part time or full-time contracts available, possibility of renewal on a yearly basis.
