

**Friendly and efficient office looking for a  
Locum / Family Physician**

We are five established Family Physicians who have practiced in Bells Corners for a number of years, with a competent, friendly staff and a pleasant work environment. We are currently looking for a part time / full time and / or a Family Physician looking to start a new practice or move an existing practice.

Our Clinic is located in Bells Corners with full EMR. There is a lab, pharmacy and physio/RMT/chiropracist in the plaza.

Our work hours are from 8:30 to 4:00 with optional after hour coverage.

We are a FHG and the locum would benefit from the extra bonus with that.

Please contact :

Dr. Patricia Mouaikel at 613-850-7969 or Dr. Elizabeth Westley at 613-867-5572
