Sandy Hill Community Health Center  
Location: 221 Nelson Street, Ottawa ON K1N 1C7  
Tel: 613 – 789-8458  

Primary Preceptor: Dr. Susanne McKim  
www.shchc.ca

Located directly off Rideau Street in downtown Ottawa, the Sandy Hill Community Health Centre accepts a wide range of patients with a special focus on inner-city health, mental health and addictions. This clinic features programs and services geared toward addiction and mental health services, health promotion, chronic disease management and services for people living with, or concerned about HIV and/or hepatitis C.

As a community health centre there are a number of allied health workers and medical trainees within the clinic. One community resident is accepted annually but elective options are also available at this site.

As a resident at this clinic, you will have access to two procedural rooms, exam rooms and a surgery clinic. The Sandy Hill CHC is a short five minute drive from the Élizabeth-Bruyère Hospital where you will complete your in-unit teaching.
