Department of Surgery: Junior Faculty Research Grant Proposal

Please use the template below, which includes all the required sections and their word limits.

Your name, type of research program (new vs established), division, domain, etc do not need to be included herein and will be collected electronically when you upload your proposal (PDF) along with your CV and letter(s) of support.

You will only need to delete these greyed portions, once finished.

Save as a PDF with the file name "Last Name" followed by a "Short Title".

The total word limit is **2175** and does <u>not</u> include the budget or reference sections.

Research Program Title:

(25-word maximum)

Plain Language Abstract:

Describe the proposal using non-technical language emphasizing the research question and its importance to surgical care delivery.

(200-word maximum)

Background and rationale:
