Purpose:

The purpose of this policy is to define the allowable documentation/information available to dRPC members when reviewing a rotation for pass or failure at dRPC.

Policy: The documentation/information that will be reviewed and taken into consideration when making a decision on pass or fail of a rotation are the following:

- The ITER of concern
- Previous ITERs
- Blocks completed to date table.
- Upcoming rotations
- Field notes, daily cards and other evaluations used in writing the ITER
