

Queensway Medical Centre

Looking for a family physician to take over a FHO practice of approximately 800 patients in the east end of Ottawa, starting Jan. 1st, 2024. Join a 14 physician FHO, and be part of a FHT with access to NP's, social workers, psychologist, pharmacist. A well managed practice with a balanced mix of families, adults, and seniors. Turnkey established office shared with 5 other family physicians. Competitive overhead in a cost-share arrangement. Well trained admin staff, experienced office manager, and referral clerk. PS Suites EMR. Perfect for a new grad, or someone wanting to start with a smaller, very manageable practice. Easy to grow the practice as we receive numerous requests daily from unattached patients. Light after-hours requirements shared amongst 14 physicians in the FHO, approximately 2 weeknight evenings per month and 4 weekends per year.
