

## CPR/BLS Registration 2020

### BLS for Health Care Provider (HCP) with the Heart and Stroke Foundation (HSF)

at uOttawa Nursing Lab/Sim Centre (CISPN).

Clinical requirements include BLS (Health care provider) annual certification. To register with CIESNP please **follow the instructions** (note that the HSF course is different than in 2019).

#### WHAT'S NEW!

- ✓ There is no separate Full course or Renewal course. There is only one option for everyone: **BLS Blended learning course**: [https://cpr.heartandstroke.ca/s/bls?language=en\\_US](https://cpr.heartandstroke.ca/s/bls?language=en_US) (see for general information not for registration).
- ✓ There is no pre-requisite course. Regardless of previous certifications from another agency, you are permitted to do the HSF Blended learning BLS for Health Care Provider.
- ✓ There is an **on-line** component to complete prior to coming in for **in-class** practice and testing

#### REGISTRATION and COURSE COMPLETION PROCESS:

##### BLS Registration

1. Select a course from the following link : [BLS Registration](#)

There are limited classes available in March & April at uOttawa Nursing Lab/Sim Centre (CISPN). If these dates are not convenient for you, please see other agencies for your BLS certification.

\*Note, BLS certification with **The Heart and Stroke Foundation** (only) is a pre-requisite to ACLS and PALS certification if you chose to do these certifications in the future.

2. To secure your spot in the course and to receive access to the HSF on-line modules, you must pay course fees (in full) on line. The payment process will follow upon registration. The 2020 pricing for BLS certification is 80.00\$ (includes electronic student manual and on-line course component, in addition to in-class practice with testing).
3. The on-line modules access will be provided to you via email upon payment.
4. Complete the modules and exam at your own pace but must be completed by the date of your in-class practice and testing.
5. Save proof of completion and exam (provided upon completion). Bring this to the class for which you are scheduled.
6. In-class course duration/location
  - ✓ approximately 2 hours
  - ✓ will take place at Lees campus in C-102
7. Practice and complete the skills testing with instructor.
8. Instructor will grant you access to a Certification card upon successful participation and testing.
9. Forward the Certification card to the Office of Risk Management (ORM)

Thank you for your interest in BLS certification with CIESNP.
