

Family Medicine Hospitalists – Transitional Care Units
The Ottawa Hospital (TOH)
Ottawa, Ontario, Canada

The Ottawa Hospital (TOH) is seeking family physicians to provide clinical services for subacute patients on the **Transitional Care Unit** at the **TOH West End Villa Satellite Campus**.

We currently hiring starting **for one locum position January/February to December 2024**.

TOH is at the forefront of health care in Canada, with a focus on exceptional patient care and practice-changing research. The Subacute Hospitalist Program offers opportunities for expanding clinical skills, continuing professional development, and an unparalleled work-life balance in a supportive clinical environment. Our program offers flexible arrangements to fit hospitalist medicine into outpatient practices.

Practice Setting:

- ☐ The Ottawa Hospital – West End Villa satellite campus
- ☐ Transitional Care Units (TCUs) for patients who have completed their acute inpatient stay and are awaiting disposition planning
- ☐ EPIC EMR – full training provided

The Ideal Hospitalist candidate will:

- ☐ Strive for excellent patient care
- ☐ Possess great interdisciplinary collaboration skills
- ☐ Be Family Medicine (CCFP) trained
- ☐ Have subacute hospitalist experience
- ☐ Have excellent English language communication skills; French would be an asset
- ☐ Possess an independent license with the College of Physicians and Surgeons of Ontario (CPSO)
- ☐ Be registered in good standing with the CMPA

Work Expectations:

- ☐ Provide inpatient care for 20 Subacute Medical Inpatients
- ☐ Business day rounding 3 days/week, available 8AM-5PM Mon-Fri
- ☐ Home call is required, rotating 1/7 with other colleagues to provide on-call coverage

Interested candidates are encouraged to submit their application, including an up-to-date CV to:
