

UNIVERSITY OF OTTAWA, FACULTY OF MEDICINE

SALARY FOR CLINICAL FELLOWS POLICY

PURPOSE

PGME Clinical Fellows are post-residency physicians undergoing specialized training in a fellowship that may or may not be accredited by the RCPSC or CFPC. Clinical Fellows are not residents and as such, do not follow the PARO-CAHO contract. In order to assure that Clinical Fellows have a living wage, it is imperative to set a base earning level.

APPLICATION

uOttawa PGME full-time Clinical Fellows are required to have the opportunity to earn a minimum of \$70,000 / year for fellowship training. This can be achieved by but is not limited to:

- a) External Funding by a third party, e.g Hospital Foundation, Charitable Organization, Governmental Agency
- b) Salary Support by Hospital / University Department / Research Institute
- c) Own clinical earnings i.e. have the ability to generate at least this amount through clinical practice.
