

Seeking a Family Medicine Physician to join our FHO group to takeover (from Dr. Elissa Cucan and Dr. Peter Tanuseputro) a **well-established, well remunerated (\$275K+)** **Family Practice in Orleans, ON.** Practice details:

- ☐ Only **24 clinical hours per week** (4 days a week, 6 hours of seeing patients a day; 1 day free to do paperwork as needed). May increase to full time 5 days a week for a salary of over **\$320K/year**.
- ☐ This includes 1 weekday evening per week plus the occasional Saturday 8-2pm (weekend fee for service billing), usually 1 every 6.
- ☐ Allowance to take up to **6 weeks of vacation/year** with a partner colleague covering your urgent results while you're away.
- ☐ Practice is **~1600 well managed patients** (no need to do first visits!), mostly working professionals and young families – the majority having private insurance (e.g., for medications and allied health professionals). Clinic is located at 4270 Innes Road, Orleans, Ontario, a 10-minute drive from downtown Ottawa.
- ☐ Very friendly and welcoming FHO practice with 12 other full-time physicians – including 1 providing geriatric consults in a memory clinic and 1 providing travel medicine. We currently also have a urologist, endocrinologist, and psychiatrist onsite.
- ☐ The FHO is also a part of a FHT supported by allied health professionals in the same building (**2-3 psychologists** for counselling; **1 dietician**; **1 pharmacist** – consults from physicians and med reviews with patients; **3 Nurse Practitioners** – e.g., seeing coughs, colds, etc.).
- ☐ FHT also provides: **3 Nurses** who provide injections, wart removals, wound care, ear flush, suture removal etc. on-site for patients.
- ☐ FHT funds a **Mobile Diagnostic Unit** (staffed by 2 Nurse Practitioners) who can see your home-bound patients.

Environment:

- ☐ The clinic has been operational since 2008, spacious and bright. Located right inside the Real Canadian Superstore with pharmacy on-site.
- ☐ Very supportive and efficient office staff – ratio is about 1.9 per doctor. Over 25 full-time employees supporting your practice – including a General Manager, Clinic Manager, Financial Administrator, 3 RPNs, 4 receptionists, 5 call center agents, 3 medical records personnel and 1 usher per hallway of 3-4 doctors to support your patient flow and room preparation (taking measurements such as height, weight, BP, visual acuity test, urine dips, sample collection etc.)
- ☐ Two dedicated fully equipped exam rooms for your use in addition to a dedicated office work space with private desk, computer and storage in a 3-physician hallway.
- ☐ **PS Suite EMR** with computer, printer and phone access.
- ☐ The office also uses Ocean and Pomelo (formerly Health Myself) for patient communications.
- ☐ Dynacare lab on-site.
- ☐ Off-site VPN remote computer access available.
- ☐ Lunch room and private staff bathrooms. Separate staff entrance. Free parking.
