annually. The city of Ottawa provides a thriving multicultural and bilingual environment. Ottawa boasts numerous cultural activities as well as readily accessible sporting and natural resources, making it an ideal family and healthy living environment.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

The University of Ottawa is an equal opportunity employer. We strongly encourage applications from women, Aboriginal peoples, persons with disabilities, bilingual persons (French and English) and members of visible minorities. If you are invited to continue the selection process, please notify us of any particular adaptive measures you might require by contacting the Office of the Associate Vice-President, Faculty Affairs at 613-562-5958. Any information you send us will be handled respectfully and in complete confidence. The University of Ottawa is proud of its 160-year tradition of bilingualism. Through its Official Languages and Bilingualism Institute, the University provides training to Faculty members in their second official language.

Application Details

Please submit a letter of intent, curriculum vitae and three reference letters to the following contact. Application deadline is February 26, 2024.
