Application form for the Healthcare Education Scholars Program

For your application to be considered, please send the following documents along with your application. If you are missing any of these items your application will not be considered:

- Your CV
- A support letter from your Division Head or Department Chair (immediate supervisor)
- Your scholarship interests
- A scholarly project idea that you would be interested in pursuing

Please send your documents all at once

Please note that space is limited so registration in the course will be a competitive process.

DIME will request a tuition fee of \$5,500 for all HESP participants. This one- time fee has to be paid before the beginning of the first session (tentatively, September 9, 2024). If you are accepted in the program an invoice will be sent to you at that time. Members of the sponsoring departments are exempt from tuition: *contact Dr Humphrey-Murto for more information (shumphrey@toh.ca).*
