

Queensway Medical Centre

300-5307 Canotek Rd. Ottawa, ON

K1J 9M2

P:613-746-6223 | F: 613-746-6018

We are a group of five family physicians practicing in east Ottawa. Our previous Colleague left in January to work for the CMPA.

As a result of this, we have two large examinations rooms with windows available for use.

We are wondering if you are aware of any of your colleagues who might be looking to rent office space.

Our office has free parking, and a lab and pharmacy on site. We use Telus PS Suite EMR and have experienced staff including an office manager and billing clerk. We are located just off the Montreal Road exit of highway 174.

We are in a call group of 14 and would encourage our colleagues to refer to any specialist who might be interested in working with us.

If you know of any of your specialist colleagues who might be interested in renting this space, please have them call Liz on our private line at 613-746-6636 or email her at qmcmanagement@gmail.com.

Thank you for your consideration.
