

Hampton Carling Family Medicine Associates

FHO opportunity in Central Ottawa! Long Term Locum is also an option!

Join our physician-managed family practice, and unlock the opportunity to become a full or part-time FHO associate in Ottawa. Located in the vibrant Westboro area at Hampton Park Plaza, our spacious and inviting clinic is the perfect setting for delivering exceptional care to our valued patients.

As a member you'll enjoy your own office and 2 exam rooms, providing you with a comfortable and efficient work environment. What's more, we have the added convenience of an on-site pharmacy and free parking within the plaza. The clinic is the site of the after- hours clinic for our patients.

What sets us apart is our physician-owned and managed model, which translates into lower overhead costs and greater autonomy in managing the clinic. In our close-knit group of four physicians, you'll experience unparalleled support and collaboration among colleagues. Our experienced administrative staff consistently goes the extra mile to provide exceptional service, a quality that our patients greatly appreciate.

With the Practice Solutions EMR system and the flexibility to work remotely using a secure VPN, you'll have the freedom to tailor your schedule to suit your needs. You'll also have the option to assume a portion of our existing patient roster, build your own practice according to your preferences, or explore the possibility of practice-sharing with one of our established physicians.

Don't miss out on this incredible opportunity to join our team of dedicated healthcare professionals.
