“ The course taught me that each of us has the power to affect change – that each individual has levers that he or she can pull, but you must have resolve to accomplish your objectives. ”

(Cohort IX participant)

ODELL HOUSE

Odell House, a restored 19th century residence, is home to the University of Ottawa's Centre on Public Management and Policy, part of the Graduate School of Public and International Affairs. The Centre offers professional development programs, undertakes research and fosters candid conversations focused on improving public management in Canada.
