

**LISTE DES SUPERVISEURS DE RECHERCHE**  
**LIST OF RESEARCH SUPERVISORS**  
**2024-2025**

La liste suivante comprend les professeurs réguliers qui sont disponibles pour superviser des étudiants inscrits en spécialisation. Cette liste inclut également les professeurs à double affectation, les professeurs émérites, et les professeurs cliniques qui dirigent un programme de recherche actif et qui ont un bon dossier de publication. **Afin d'assurer un suivi et un encadrement de haute qualité, seulement les professeurs qui apparaissent sur cette liste sont autorisés à superviser des projets de spécialisation.**

Le nombre maximum de thèses de spécialisation qu'un professeur a accepté de superviser en 2023-2024 est indiqué en italique.

The following list is composed of full-time professors who are available to supervise 4th year undergraduate honours thesis students. This list also includes cross-appointed faculty members, emeritus professors, and clinical professors who have active research programs and good records of research publication. **In order to be able to monitor and ensure a training of high quality, only professors appearing on this list are authorised to supervise honours thesis.**

The maximum number of Honours theses that a professor has agreed to supervise in 2023-2024 appears in italics.
