UNIVERSITY OF OTTAWA
Age Profile of Regular Staff

The bar chart above shows the age profile of regular staff at the University of Ottawa. The chart compares the number of staff in different age categories, categorized into Support and Academic roles. The age categories are 30-35, 36-40, 41-45, 46-50, 51-55, 56-60, and 60+. The Support roles are indicated by blue bars, while the Academic roles are indicated by green bars. The highest number of staff is in the 51-55 age category for both Support and Academic roles, followed by the 31-35 and 41-45 age categories.
