

Science Outside The Lab – North

SOTL North is an immersive, hands-on introduction to science & policy in Canada for graduate students, postdocs, and young professionals of all disciplines: sciences, engineering, and humanities alike. Join us in Montréal & Ottawa this summer to network, discover career paths, and interact with Canadian science policy!

Summer 2019

Session A:

May 11th to May 18th

Session B:

May 25th to June 1st

Both take place in Ottawa, Ontario & Montréal, Quebec

Program Fee: \$950

Apply by February 5th. Fee includes program, lodging, breakfast/lunch, and during-program transportation. Reduced fees available for local students.
