

PRC FELLOWSHIPS 2022

SHELBY HAYTER FELLOWSHIP

This fellowship has been established by Shelby Hayter as a result of her Pass the Baton program to fund a deserving Graduate Student for **two years at \$15,000 per year**

LARRY HAFFNER FELLOWSHIP

This fellowship has been established by Larry Haffner to fund a deserving Graduate Student for **two years at \$15,000 per year**

AUDREY GRANT PARKINSON'S RESEARCH FELLOWSHIP

This fellowship has been established to fund a deserving Graduate Student in great appreciation for the efforts of Audrey Grant in her continued support of the PRC through her Annual Better Bridge Event.

This Fellowship is **\$15,000 for one year** (subject to available funds)

DAVE AND JILL HOGG FAMILY FELLOWSHIP

This new fellowship is established to acknowledge the Hogg family as a result of their annual commitment to raise awareness and funds for PD research. Funds will go towards a deserving Graduate Student who is conducting research on Parkinson's disease.

This Fellowship is **\$15,000 for one year** (subject to available funds)

BONNIE & DON POOLE PARKINSON'S RESEARCH FELLOWSHIP

This new fellowship has established by the Poole family to fund a deserving Graduate Student who is conducting research on Parkinson's disease.

This Fellowship is **\$15,000 for one year** (subject to available funds)

Eligibility and Terms for all Fellowships:

Applicants must be graduate students or postdoctoral fellows who work for members of the uOttawa Brain and Mind Research Institute working in Parkinson's disease research.

The tenure of the awards is:

- **Shelby Hayter Fellowship:** Graduate Students - Two years at \$15,000 per year
- **Larry Haffner Fellowship:** Graduate Students - Two years at \$15,000 per year
- **Audrey Grant Fellowship:** Graduate Student - One year at \$15,000
- **Dave and Jill Hogg Family Fellowship:** Graduate Student - One year at \$15,000
- **Bonnie & Don Poole Parkinson's Research Fellowship:** Graduate Student - One year at \$15,000

These awards are non-renewable. A student cannot apply for the same Fellowship she/he has already been awarded. However he/she can apply for the others but are limited to only 2 years of funding.

The award will be given to a Student or Postdoc who is working on projects directly related to PD research.

Note: that fellowship funding support will be approved based on a 1/3 match. This match may come from the home Institution or via Supervisor/PI support. A letter of support for said 1/3 match is to accompany the application.

Review Process:

The application deadline is **May 27th** and the following documents must be submitted electronically in PDF format to Natasha Hollywood at nhollywo@uottawa.ca

- a) Application form face sheet
- b) Complete CV – limit of 2 pages
- c) A ½ page personal statement of the research to be performed
- d) 1 page scientific proposal
- e) 2 letters of reference (*can be sent separately*)
- f) Institutional or Supervisor letter of support committing to 1/3 match

***** Please submit ONE PDF with all relevant documents combined and saved as:**
PRCFellowshipApp2022_FirstNameLastName
reference letters can be sent separately

All applications will be reviewed by a scientific review committee and the PRC Advisory Board.

Note that all recipients will be asked to present their work at one of the bi-monthly PRC Research in Motion series and PRC Advisory Board meetings throughout the year.

For information call 613-562-5461 or nhollywo@uottawa.ca
