July Edition

Coming Together to Connect
Research & Community

Meet Our Team

Get to know the faces behind the university of Ottawa Brain and Mind Research Institute

For day 1 of the July edition, we are excited to introduce you to the team behind the University of Ottawa Brain and Mind Research Institute!

Dr. Ruth Slack's leadership enables the uOBMRI to be a driving force of innovation in brain and mind research. She is also an inspiring professor and researcher with the University of Ottawa's Faculty of Medicine. Natasha Hollywood brings passion and experience to the team, managing all uOBMRI operations. Our team is completed by Candace Fortier, Sarah Schock, and Jordan Pumphrey all whom are an integral part of the uOBMRI team.

Read more about what we do at the uOBMRI by visiting [our website](#).

HOW WE CONNECT

The uOBMRI hosts a variety of events each year to connect our researchers, clinicians, trainees, partners, and community.

**RESEARCH
DAYS**

Join our mailing list so you never miss a thing!

**RESEARCH
SPOTLIGHTS**

**PUBLIC
LECTURES**

**PARTNER
APPRECIATION**

**COMMUNITY
EVENTS**

www.uottawa.ca/research-innovation/brain/events

**TRAINING
PROGRAMS**

For day 2 of the July edition, we are showcasing a few ways that the uOBMRI connects researchers, clinicians, trainees, partner institutions, and community through events!

In addition to hosting our annual Brain Health Research Day, we also organize specialized research spotlights, invite the community to hear fascinating lectures and participate in fundraising events, and facilitate programs for trainees.

Read more about our events [here](#), and be sure to join our mailing list so you never miss a thing! [Click Here](#)
