By submitting this form, the Submitter warrants that Their samples are free of any enriched material. If enriched material from the Submitter's samples, or the packaging in which they are shipped, results in contamination of equipment or instrumentation requiring cleanup or replacement, significant charges will be incurred.

2. Sample Submission:

The Submitter will provide a completed Submission Form (the "Submission") and the samples to be analyzed (the "Samples"). We reserve the right to decline a Submission. By making a Submission, the Submitter certifies that They are legally capable of entering into binding contracts on behalf of Themselves, Their supervisor, and/or Their Company.

12. Failed Analyses:

For Samples which fail due to the nature of the sample itself, and which are outside the control of the laboratory, the AEL AMS Laboratory reserves the right to recover partial or full costs for laboratory treatment up to the point of failure. Please refer to the Sample Failure Charging Policy under the supporting document section for each lab unit for more details.

13. Unforeseen Event / Force Majeure:

We will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under a Contract that is caused by events outside our reasonable control, commonly known as “force majeure”.

14. Entire Agreement:
