Academic Calendar

Academic Calendar	Autumn Session (February to June) and Spring Session (July to November) UTS Academic Calendar
-------------------	--

Entry Requirements

Academic and English Language Entry Requirements	https://www.uts.edu.au/study/international/study-abroad-and-exchange-students/study-abroad-or-exchange/entry-requirements-and-costs <i>NOTE: UTS does not accept the DAAD Language Certificate, ITP or TOEIC.</i>
Australian Language & Culture Studies Program	Students with lower language entry scores may choose to study our Australian Language and Cultural Studies Program

Exchange Nomination and Application Process

	Session	Nominations	Applications
Nomination and Application Deadlines	Autumn Session 2026 (Feb – Jun)	OPEN: 1 September 2025 CLOSE: 29 September 2025	OPEN: 1 September 2025 CLOSE: 31 October 2025
	Spring Session 2026 (Jul - Nov)	OPEN: 23 February 2026 CLOSE: 13 March 2026	OPEN: 23 February 2026 CLOSE: 31 March 2026
Application Steps	1. Students coming to UTS on an exchange program MUST meet the UTS entry requirements and be nominated by the home university.		

	2. Nominations are accepted through an online survey that UTS will email partner universities before the opening of each round. 3. Nominated students will be contacted and receive information on how to complete their application. 4. Students will need to upload the following documents in the application: • Evidence of English proficiency (where required) • A copy of the official academic transcript for all undergraduate and/or postgraduate coursework completed and a copy of the grading scale (official high school transcript required for students who have not yet completed 1 year of undergraduate studies). • Passport copy (minimum 6 months validity) or Photo ID if passport has not been received yet Note: • Students applying for exchange cannot apply directly through our website (the application is for fee-paying Study Abroad students only). • We do not require the hardcopy of any application documents, unless specifically requested. Documents not issued in English must be accompanied by an English translation (both original and translation are required).
--	---

Health Insurance (OSHC) Information

Health Insurance (OSHC)	All student visa holders are required to purchase Overseas Student Health Cover (OSHC) except Belgian, Norwegian and some Swedish students who are exempt as outlined on the Department of Home Affairs website. We recommend Medibank Private, however students may see other providers here. Note: • Students will be sent instructions on how to purchase OSHC when they receive an offer to study at UTS. We do not purchase OSHC on behalf of students. • Students are responsible for ensuring their OSHC policy covers the full duration of their student visa
COE and Student Visas	Once a student has accepted their full offer, UTS will issue a Confirmation of Enrolment (COE) which the student must use to obtain their Student visa (subclass 500) through the Department of Home Affairs. Note: CoE documentation must be checked thoroughly by the student before applying for a visa. UTS is not liable for any additional visa changes or extensions costs. When applying for the Student visa Subclass 500, exchange students should select Non-Award Sector.

Subjects and Enrolment

Subject Information	The Study Abroad and Exchange Subject and Academic information webpage provides an overview of and step by step guide on how to explore subjects at UTS. Study Abroad and Exchange students can choose subjects from: 1. Pre-approved Subjects list: Students should start by checking subjects available from our comprehensive list of pre-approved subjects, which do not require evidence of prior knowledge and span most study areas 2. Outside of the pre-approved Subjects: For higher level subjects students can use the Subject Guides as a good starting point to find the most popular subjects in their discipline or area of interest. Note: - Students are not required to list their subjects in the application. Further instructions on how to enrol in subjects will be sent once students are admitted - Research/thesis subjects are not available to Study Abroad and Exchange students. - Subjects from the following Programs are generally not available for Study Abroad students: Nursing; clinical and education placements; Midwifery; all Graduate Health subjects; Master of Clinical Psychology; MBA Executive; Chinese Medicine; Engineering internships. Animation and Media Arts Production have limited availability.
Conditions for Subject Approvals and Enrolment	Subject approval and final enrolment into subjects is conditional upon class availabilities, the student meeting prerequisites, and completion of the online enrolment process. Students must also check the UTS Timetable Planner to avoid subject clashes.
Enrolment FAQs	Common questions about enrolment and timetabling have been addressed in our Prepare for UTS and Australia page.
Teaching Locations	UTS has two campuses; 1) City Campus in Ultimo where the majority of subjects are taught and 2) Moore Park Precinct where some Sport and Exercise Science and Management subjects will be based. Note: Travel time between locations should be considered when selecting subjects. Student can use the new light rail service between campuses.

UTS Housing and Living in Sydney

UTS On-Campus Housing	All students must arrange their own accommodation in Sydney. UTS has a student residence called Yura Mudang, located on-campus, which is owned by the university and managed by the UTS Housing Service. All information about the accommodation options and fees can be found on the UTS Housing website or contact UTS Housing at housing.service@uts.edu.au. Note: UTS Housing offers a limited (150) number of beds for exchange and study abroad students. Applications for Autumn open in early October and for Spring open in early May.
------------------------------	--

	- There is a non-refundable application fee of AUD\$50 for Yura Mudang, even if you are unsuccessful in securing a place. - UTS recommends that students investigate off-campus accommodation options at the same time as applying to Yura Mudang. Do not wait for the outcome to start looking.
Off-Campus Options	There are several types of off-campus housing in Sydney including Private Student Residence Providers, Flat shares, Homestays and short-term accommodation. - Due to the limited availability at UTS Housing, UTS strongly suggest students to investigate these off-campus accommodation options at the same time as Yura Mudang. - UTS recommends arriving in Sydney a couple of weeks early and staying in temporary accommodation whilst looking for longer term housing options. Visit UTS Housing off-campus accommodation page for more information.

Arrival Information

Arriving and Settling in Sydney	Once admitted to UTS, students will receive pre-arrival information in our onboarding portal Culture Connect . For more information about arriving or living in Sydney, please use our website.
--	---

UTS Transcripts on Completion

UTS Transcripts	UTS issues transcripts to all students approximately one month after the official exam results release date. These will be uploaded to the My eEquals platform unless a student chooses to opt out. The students will then share the link to their home university and/or agent. Students who opt out will be issued a hard copy of the transcript. Note: The official UTS transcript does not carry a stamp or signature. Instead, it carries a security feature in the paper (UTS is written in tiny letters across the whole paper) and a "COPY" watermark will appear if the transcript is copied.
------------------------	---

UTS Exchange Contacts

Initial Enquiries	All student enquiries should be directed to Studyabroad.Exchange@uts.edu.au . Please see our FAQ page for frequently asked questions.
Submitting Applications	Students must upload supporting documents including official transcript along with the online application. Acceptance documents for Exchange should be sent to SAEX.Applications@uts.edu.au . These email accounts are monitored and answered daily.
