HELPING SOMEONE IN DISTRESS

RECOGNIZE UNUSUAL BEHAVIOUR
Do you see any behaviour that may be out of character or unusual for someone? Early intervention plays a key role in supporting mental health challenges.

RESPOND WITH CONCERN AND EMPATHY
Non-judgmental and supportive language includes:
“I have noticed...”
“I am concerned...”
“I hear what you are saying...”
“How can I help you to...”

REFER THE PERSON TO AVAILABLE RESOURCES
Non-judgmental and supportive language includes:
“What do you need in order to...”
“Can I suggest...”
“uOttawa Wellness website has lots of resources. Let’s look at it together...”

HIGH RISK OF HARM
Behaviour that is violent, destructive, harmful, aggressive or threatening to self or others. This is an emergency.

uOttawa Protection Services, 24/7: 613-562-5411
Off Campus Emergency Services, 24/7: 911

MODERATE RISK OF HARM
Changes in personal appearance and hygiene, low mood, avoidance of people, substance use concerns, disorganized thinking, expressions of hopelessness, or references to suicide.

Students, (Good2Talk), 24/7: 1-866-925-5454
Employee and Family Assistance Program (EFAP), 24/7: 1-844-880-9142

LOW RISK OF HARM
Difficulty with studies, family or relationship problems, chronic health conditions, difficulty concentrating, issues with sleep, increased interpersonal conflict.

RECOGNIZE Have you noticed unusual behaviour or feelings?

**HIGH RISK OF HARM**
- Are you thinking frequently of harming yourself, or seriously considering suicide?
- Are you missing most of your classes or work?

**MODERATE RISK OF HARM**
- Are you avoiding family, coworkers and friends or feeling isolated?
- Have you stopped taking care of yourself or your personal hygiene?
- Has something unexpected happened in your life, like a death or accident?
- Are you taking substances, like drugs or alcohol to cope?

**LOW RISK OF HARM**
- Are you feeling overwhelmed in your studies or your work?
- Are you having family or relationship issues?
- Are you having difficulties concentrating or with your sleep?
